

## Alaska Forum on the Environment, 2012 Awards – Request for Nominations

---

Deadline January 25<sup>th</sup>, 2012

In 2004 the Alaska Forum on the Environment established our first award to honor sustained achievements in the environmental and natural resources fields in Alaska. The Alaska Forum now invites nominations for the **2012 Outstanding Achievement Award** and the **2012 Environmental Excellence Award**.

The **Outstanding Achievement Award** recognizes a project, program, group, publication, or similar concrete accomplishment that occurred during the three years prior to nomination for the award. An individual is not eligible to receive this award. The **Environmental Excellence Award** recognizes a long-term contribution and commitment by an individual.

### Selection Criteria

The Awards are open to any individual or organizations that has contributed to the advancement of knowledge, education, cooperation, or management of the environment and/or natural resources of Alaska. *Members of the Alaska Forum Board of Directors or Planning Committee are not eligible for the Environmental Excellence Award.* Winners of these awards will be selected based on how well they have:

- 1) Advanced the environmental or natural resources sciences and public education;
- 2) Promoted the application of sound scientific practices in managing, conserving, or repairing Alaska's environment or natural resources; and
- 3) Fostered coordination and cooperation among professional, scientific, educational, and non-profit organizations having leadership responsibilities for Alaska's environment and natural resources.

## **Nominations**

Nominations for these awards may be made by any individual or organization. To submit a nomination, please provide the following information (the attached forms may be used):

- a) Your name, address, telephone number, and affiliation.
- b) Full name of the nominee, present position, organizational affiliation, address, and telephone number.
- c) A 500-word clear, concise, and complete description of the achievement to be recognized and a statement of how that work meets the award criteria.
- d) One copy of any supporting materials, which may include a resume or curriculum vitae (Environmental Excellence Award) or any relevant reports, publications, or similar concrete products (Outstanding Achievement Award). Letters of endorsement may be included.
